- **Programming Languages:** Java , JavaScript.
- **Web Development:** Html, CSS, React.js
- **Database Management:** MySQL, SQL Plus
- **Tools:** Git, GitHub, Postman, VS Code, Chrome Developer Tools

Internship

Web Development Internship, Yhills

June 2023 – July 2023

Educational Dashboard

- Created and launched a static educational website using HTML, CSS, JavaScript, and Bootstrap.
- Designed key pages like Home, About, Courses, Blog, and Contact to ensure a smooth user experience.
- Included course details such as duration, level, price, and number of lessons.
- Used images and banners to make the site visually appealing, engaging, and fully responsive.
- Published the website using GitHub Pages, demonstrating skills in website hosting and code management.

Education

Graduation -GIET University B.Tech in Computer Science and Engineering.

Aug 2021 – May 2025

Intermediate -Narayana Jr. College MPC, BIEAP Board.

May 2019 – Mar 2021

Matriculation -Green Valley Public School CBSE Board.

Mar 2018 – Mar 2019

Projects

Learning Management System (LMS) – MERN Stack Project

- **Tools Used:** Developed a full-stack LMS using MongoDB, Express.js, React.js, and Node.js.
- Managed user data, ensured accuracy in course operations, maintained records, and collaborated with team members to deliver a smooth learning experience.
- Implemented features like user registration, course catalog, student dashboard, and instructor panel.
- Designed responsive and user-friendly interfaces for course browsing and enrollment.
- Built RESTful APIs for course management and user operations.
- Focused on modular code structure, secure authentication, and real-time updates.

E-commerce Website

- **Tools used:** Built a full-stack e-commerce platform using MongoDB, Express.js, React, and Node.js.
- Implemented JWT-based authentication for secure user login and session management.
- Designed features including product catalog, shopping cart, and order management.
- Ensured responsive UI and deployed the project for real-time usage.

Certifications

- Course completion certification in **AWS Cloud practitioner Essentials**.
- **The Joy of Computing using Python** from NPTEL.
- Certified in **Introduction to Industry 4.0 and Internet of Things** from NPTEL.

Extracurricular Activities

- Core member of the Web Eye Club, leading and contributing to web development projects and initiatives.
- Participated in Internal SIH organized by GIET University.
